

FRONT ROW CENTER IS GOING FAST

IT'S ALL ABOUT THE BIG GIG. IF YOU WANT TO GO TO COLLEGE, PHEAA CAN HELP YOU PAY FOR IT. By filling out the Free Application for Federal Student Aid (FAFSA) online, you'll take the crucial first step to determine if you qualify for a Pennsylvania State Grant, Federal Pell Grant, low-cost federal student loans and many scholarships. Be sure to submit your FAFSA as soon as possible after January 1 to meet all financial aid deadlines, including the Pennsylvania State Grant deadline of May 1. **The FAFSA is your backstage pass to access money for higher education. And everyone knows it's better to be front row center than sitting in the nosebleeds, so don't get left out of the action. Go to www.pheaa.org/fafsa and get into the big show.**

THINK PHEAA FIRST FOR STUDENT FINANCIAL AID.
